

Alüminyum Döküm ve Metal İşleme San. A.Ş.

SUPPLY CHAIN MANAGEMENT POLICY

To achieve part quality and safety in accordance to our customers requirements and the sectors we are working with

To ensure together with our suppliers a respect of basic human rights, proper working conditions and environmental consideration in all processes

To work in sincronization with our suppliers to realise customer requirements as fast as possible

To build long term business relationships based on honesty, transparency, trust and respect with the best suppliers in their respective fields

To work with domestic and international suppliers so that we can provide competitive pricing without sacrificing our understanding of quality

To ensure all our supplier relationships move forward according to articles of our Supplier Handbook
